Including Summer School
(Renewables in Grades 3, 6 & 9)

As a part of my schoolwork, Yale Public Schools gives me the use of computers (including Chromebooks, Ipads, Gmail, etc.) and storage space on the server for my school work. My behavior and language must follow the same rules that apply in my class and in my school. To help myself and others, I agree to the following promises:

1. I will use the computers **only** to do school work that my teacher assigns and not for **any other** reason. I will not use the district's computers, network and storage space for personal or illegal activities.
2. I will use the Internet **only** in ways that are approved by my teacher..
3. I will not give my password(s) to anyone else, and I will not ask for or use anyone else's password(s).
4. I will not put my address or telephone number, or any other personal information about myself or anyone else, on the computer.
5. I will not upload, link, or embed an image of myself or others to non-secured, public sites without my teacher's permission.
6. I will not use games or other electronic resources that have objectionable content or that engage me in an inappropriate simulated activity. I will only use games/resources that a teacher has approved.
7. I will be polite and considerate when I use the computer; I will not use it to annoy, be mean to, frighten, threaten, tease, bully or poke fun at anyone; I will not use swear words or any other inappropriate language.
8. I will not try to view, send, or upload anything that says and/or shows bad or mean things about anyone's race, religion or gender.
9. I will not damage the computer or anyone else's work.
10. I will not plagiarize or break copyright rules, or take credit for anyone else's work.
11. If I have or see a problem, I will not try to fix it myself but I will tell the teacher. If the problem is an inappropriate image or website, I will turn off the monitor before seeking help.
12. I will not block or interfere with school or school system communications.
13. My computer use is not private; my teacher may look at my work to be sure that I am following these rules, and if I am not, there will be consequences which may include loss of computer privileges.
14. I know that the behavior that is unacceptable in school is also unacceptable when I use computers outside of school. If it interferes with other students' education, and if I break the rules there will be consequences at school.

Parents: *I have read and discussed this Acceptable Use Agreement with my child. I give permission for my child to use the school's technology resources. I understand that computer access is conditional upon adherence to this agreement. Although students are supervised while using computers and their use is electronically monitored, I am aware of the possibility that my child may gain access to material that school officials and I may consider inappropriate or not of educational value.*
